OMAHA, C. H., *Douglas Co.,* ◻ 80,000 pop., on Missouri r. Council Bluffs is opposite. On numerous railroads. Military headquarters of the Department of the Platte. Important place for trade and manufactures. Largest city in the State. The Union Pacific machine, car and repair shops, employing upwards of 2,000 men, are located here. The Omaha smelting and refining works are said to be the most complete in America, employ nearly 300 men, and refine 120 tons per day. The nail works are extensive and flourishing, and their annual product will not fall much short of 100,000 kegs. The linseed oil works turn out from five to six hundred thousand gallons of oil annually, and from eight to ten million pounds of oil cake. The fourth largest distillery in the United States is here; and also barb wire works, boiler works, immense breweries, extensive elevators, foundries and machine shops, packing houses, white lead works, and dozens of other important manufacturing enterprises, giving employment to at least six thousand skilled workmen.
